Pilgrimage of Healing | 2016

Together we can make a difference

Reconciliation Week 27 May - 3 June 2016

Prior to its closure in 2014, Tailem Bend Uniting Church was the site of many important events in the life of Congress and the wider Murraylands community. They now have a vision of transforming the old church building to develop a regional, ecumenical faith community – but first the building requires a number of urgent repairs. You have an opportunity to support this exciting new ministry.

How you can help

- Pray for Congress congregations and faith communities, particularly for this developing faith community in Tailem Bend, and its new pastor and Congress State Development Officer, Pastor Mark Kickett
- Contact Congress to find out what practical support you can provide (see contact details below).
