Pilgrimage of Healing | 2017

Together we can make a difference

Reconciliation Week 27 May - 3 June 2017

Young people in Oodnadatta are eager to grow in discipleship, become leaders, connect with other young Christians, and learn more about the Bible. A lack of access to training and other information, and the isolation of the community, means that it is often difficult for them to do so. The local Uniting Aboriginal and Islander Christian Congress faith community are hoping that access to computers and a large vehicle will help in this ministry. Through the Pilgrimage of Healing, you have an opportunity to support these young people in their spiritual growth and development.

How you can help

- Pray for Congress congregations and faith communities across South Australia, and particularly for the young people in Oodnadatta.
- Contact Congress to find out what practical support you can provide (see contact details below).
- Make a donation to help purchase computers, training and a vehicle for young people in the Oodnadatta faith community:
