Debiting your account

By signing the Direct Debit Request or providing us with a valid instruction, you have authorised us to arrange for funds to be debited from your account with an Australian financial institution. You should refer to the Direct Debit Request and this agreement for the terms of the arrangement between us and you.

We will only arrange for funds to be debited from your account as authorised in the Direct Debit Request.

If the debit day falls on a day that is not a Business Day, we may direct your financial institution to debit your account on the following business day. If you are unsure about which day your account has or will be debited you should ask your financial institution.

Changes by you

You may cancel, alter or suspend your drawing arrangements at any time by calling us at least two (2) business days before the cancellation, alteration or suspension is to take effect. You may also stop or defer an individual drawing by calling us at least two (2) business days before the scheduled drawing date.

We may not be able to cancel, alter, suspend, stop or defer a drawing if you provide us with notification less than two (2) business days before the scheduled drawing. You may be liable for any penalties charged by your external financial institution if you provide less than two (2) business days notification and your transaction has already been processed.

Your obligations

It is your responsibility to:

- Ensure that there are sufficient cleared funds in your external account on the due date to enable the drawing to be made in accordance with your instructions and the Direct Debit Request;
- Ensure that the authority given to us to draw on your external account is consistent with the account authority or signing instructions held by your financial institution for that account;
- Advise us if your external account is transferred, closed or any other account details change;

If there are insufficient cleared funds in your account to meet a debit payment:

- You may be charged a fee and/or interest by your financial institution;
- You may also incur fees or charges imposed or incurred by us; and
- You must arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the debit payment.

You should check your account statement to verify that the amounts debited from your account are correct.

Disputes

If you believe that a drawing has been initiated incorrectly you should contact the Uniting Church SA Financial Services Team on 1300 766 956 in the first instance.

If we conclude, as a result of our investigations, that your account has been incorrectly debited we will respond to your query by arranging for your financial institution to adjust your account (including interest and charges) accordingly.

If we conclude, as a result of our investigation, that your account has not been incorrectly debited we will respond to your query by providing you with reasons and any evidence for this finding. All enquiries regarding this agreement should be directed to us rather than your external financial institution.

Accounts

You should check:

- With your financial institution whether direct debiting is available from your account as direct debiting is not available on all accounts offered by financial institutions;
- Your account details which you have provided to us are correct by checking them against a recent account statement; and
- With your financial institution before completing the Direct Debit Request if you have any queries about how to complete the Direct Debit Request.

Confidentiality

We will keep any information (including your account details) in your Direct Debit Request confidential. We will make reasonable efforts to keep any such information that we have about you secure and to ensure that any of our employees or agents who have access to information about you do not make any unauthorised use, modification, reproduction or disclosure of that information.

We will only disclose information that we have about you:

- To the extent specifically required by law;
- For the purposes of this agreement (including disclosing information in connection with any queries or claims);
- We may provide a copy of the Direct Debit Request to another financial institution in the event that any payment made in accordance with the Direct Debit Request is disputed.

Liability

To the extent permitted by law, we are not liable for any loss or damage you suffer as a result of using this facility or any delay, omission or failure in respect of any debit including but not limited to technical/system failure or third party failure.
