**2020 Grant Application for post-COVID Intergenerational Ministry**

Intention: The Intergen Team seeks to encourage and support local age specific and intergenerational ministry. We are inviting applications for grants, each worth up to \$1000 per church.

Grants are open to Uniting Churches in SA.

Applications for the Intergen Grants will be considered based on their ability to meet either or both of the following Key Criteria:

1. The Applicant seeks to develop opportunities to share the message of Jesus with young people in their wider community.
2. The Applicant seeks to grow the discipleship formation of their young people in everyday life.

The Intergen Team is particularly looking for applications that include:

- Opportunities to collaborate with other local Churches (Uniting or other denominations)
- Opportunities of an intergenerational nature (encouraging connections between generations)
- 'Outside the box' thinking
- Opportunities that address the post-COVID-19 landscape
- Opportunities that invest relationally.

Please note grant funds are limited and applications may not be successful.
