Coppaccino Biscuits

Ingredients:

- ♦ Iced Clock biscuits
- ♦ Marshmallows
- ♦ Lifesavers (cut in half)
- ♦ Freckles (choc circles with hundreds 'n' thousands on top)
- ♦ A small amount of white icing to 'glue' the different parts to each other

What to do:

- ♦ Choose a marshmallow the same colour as the icing on the clock biscuit.
- ♦ With the biscuit icing side up, and the marshmallow with the larger surface on top, use a dab of icing to 'glue' the biscuit to the marshmallow.
- ♦ Use another dab of icing to attach the freckle to the top of the marshmallow.
- ♦ Attach half a life saver to the side of the 'cup' for the handle.
- ♦ Serve with morning tea, or wrap in cellophane bags to take as a gift.
