CHRIST THE KING

What sort of king was Jesus?

He was born in a barn.

His parents were nobodies.

He walked everywhere and
occasionally rode a donkey.

His friends were poor, at the
bottom of the social heap.

He forgave sinful women and
they loved him.

He touched the untouchable.

He was executed as a criminal.

He preached: be a servant...

**God's people are saved through
the courage of one man who
bucked the system.**
