## HANNAH

Married to Elkanah; she loved him, he loved her. But she didn't have any children so he took another wife.

Peninnah teased and bullied Hannah. Hannah prayed to God in great distress.

Eli thought she was drunk. Hannah vowed to give her son to serve God if she had one. God heard Hannah's prayers. She was overjoyed.

**The LORD has filled my heart with joy. No-one is holy like the Lord...**
