Materials:

- ◆ thin card to photocopy stable scene onto (can be coloured, e.g. blue for night)
- ◆ 5 pop-sticks per child
- ◆ ribbon for hanger
- ◆ colouring pencils or textas
- ◆ glue (glue sticks work fine on pop-sticks)

Method:

- ◆ Colour in picture.
- ◆ Cut around outline.
- ◆ Glue one pop-stick down each side of "stable" for walls, one across the bottom for floor, and two in a V shape across the top to form the stable roof. Try to get glue on both the ends of the pop-sticks and on the paper in between. Pop-sticks should protrude past the ends of the roof.
- ◆ Attach a loop of ribbon on the back at the top for hanging.
