

## Being the Church in Un-gathered Times - Worship

*Last updated: 9 June 2020*

We are in a challenging new season, being the church un-gathered for worship and discipleship.

Here is a list of Uniting Churches in South Australia and the creative ways they are continuing to be the **church in worship**. Please feel free to join these churches via the links provided, or to download and print resources for non-digital worship. We would love to include more churches here, so please let us know what you are doing and provide the links for people to use.

**If your church would like to go online**, but you don't know how, please let Sue Page ([spage@sa.uca.org.au](mailto:spage@sa.uca.org.au)) know and we will get someone to assist you.

There is a separate list with **resources and information for discipleship at home** for people of all ages, such as bible studies for individuals, small groups, children and families, and ways to serve and pastorally care for each other. Please send us your church's resources or online links so we can encourage and inspire one another's churches and also to share the task of producing resources.

**Safety online:** Please remember to be respectful, aware of cyberbullying, not share private information and if you are including children and young people in online resources and/or communicating with children and young people online that you take steps to ensure this is done safely. This may include:

- Obtaining appropriate permission from parents or carers to communicate online or to provide access to an online group space
- Setting boundaries and rules for your online engagement and sharing them with children and their parents or carers, for example agreeing specific times for contact and identifying if a parent will be present
- Putting measures in place to address any potential risks such as cyberbullying or inappropriate direct online contact
- Identifying how you will respond to any reports or experiences of inappropriate online conduct

For further advice contact Linda Vinall (Called to Care officer) [lvinall@sa.uca.org.au](mailto:lvinall@sa.uca.org.au) or 8236 4248.

This information has been adapted from an [article](#) by Rev John Cox, Director, National Safe Church Unit.
