

Safe Church Policy

The Uniting Church affirms that all people are made in the image of God. The Uniting Church commits itself to the care, protection and safety of all people with whom it comes in contact. As a community of faith, we are committed to providing a safe environment for both children and adults to encounter God, to develop relationships as part of a community and to grow in faith.

The Uniting Church in Australia believes that all people are made in the image of God and as such we should accept every individual regardless of race, age, creed or gender.

As a Christian community, we believe that God reaches out to us in love and acceptance and that our relationships with each other should express love and respect and not be abused.

As a community of faith, we are committed to providing a place in society where human beings can explore what it means to be made in the image of God.

As an expression of this commitment, the Uniting Church in Australia recognises its responsibility to provide worshipping and pastoral communities that are free from abuse and that provide safe environments for all people to explore and express their faith in the Gospel.
