Variation Request Form

The Uniting Church in Australia
Synod of South Australia

Within the Synod of South Australia, Congregations and Faith Communities support many aspects of the Uniting Church's mission by giving 12% of their income to the wider church.

This contribution is made up of two parts:

1. A contribution of **10%** to the Mission and Service Fund (MSF) which directly supports the ministries of the Synod and the three Presbyteries. This contribution is allocated on the basis that 6% is received by the Synod and 4% is received by the Presbyteries.
2. A further contribution of **2%** is specifically used to support the work of the Presbyteries.

In cases of financial hardship a Congregation may request a variation to this contribution. Any variation granted will be applied to the full 12% contribution and applied equally between the Synod and the Presbyteries.
