

Training Aboriginal Christian Leaders [TACL]

Background

Since 1991 TACL has been the major inter-church support for First Nations people undertaking training in Christian ministry and related courses.

TACL Inactive in 2025

Without First Nations representation, the Management Team of “Training Aboriginal Christian Leaders” has not met in the past year. Many of our leaders face weighty ministry demands including “sorry business” of leading funerals.

Further, it has proved unsuccessful in getting representatives of several member denominations.

We retain an Operating Account and three (3) separate Investment accounts, including the former “Smith of Dunesk” Trust account, held with UC Invest.

The Uniting Church remains a faithful contributor with quarterly donation of \$300.
